

Nevada Yacht Club 2007 Summer Sailstice
“PAGAN SAILING FESTIVITIES”
Sailing on the Solstice JUNE 23 & 24 for lovers of
summer, sun, and sailing

The Nevada Yacht Club has committed to doing the Summer Sailstice event for June 23 and 24th 2007. Our event will be a Pagan Summer Solstice Festival on our sailing vessels.

The purpose of the summer sailstice is to promote sailing throughout Southern Nevada to sailors and non sailors alike and to display our love of sailing to the world.

The event will consist of a Starting Parade of Boats where we can show our colors to the world. Take an old Bed sheet and make a flag (small or large) showing your and your boats unique personality.

We will then sail to Cathedral Cove in the Overton Arm for dinner and our evening “Pagan” festivities including a Toga Party (bring another bed sheet - they come in sets I hear)

We will have a sunset Pagan Ritual (chanting at the sunset) - a Toga Party - and all sorts of debauchery and merriment. Including howling at the moon (if present).

At Sunrise - all the non drinking pagans will awaken the hung over drinking pagans with a loud cheer and a louder toast to the rising sun followed by breakfast and a Reunification ceremony of “Public Confession” where you will make a funny confession of your previous nights revelry. This will ensure a hasty return to “the fold” and Christendom. Cathedral Cove should provide an awe inspiring religious experience.

Then we will sail back to Boulder Beach and congregate at 5:00 p.m. for a closing PARADE OF NOISE to all the remaining landlubbers on the beach - with an award for the one who attracts the most attention by “Raising all Hell”

Really cheap awards will be given at the next general meeting as follows;

Best Homemade Flag	Best Chant	Best Toga
Best Howling at the moon	Best Overall Pagan	Best toast to Brother Sun
Best Public Confession	Best Hell Raisers and Loudest Boat	

Meet at 9 am for Sail Plan and destinations at the Lake Mead Marina
Parade to start at 10 am on June 23 => Destination Cathedral Cove
Final Parade 5 p.m. on June 24th
